— MAPULA —
embroidery project

Winterveldt, South Africa

This item was hand embroidered by:

MARTHA METLAE

Group one

The Mapula (mother of rain) embroidery project was initiated by Soroptimists International Pretoria, to create opportunities for women in the Winterveldt.

Managed by Emily Maluleka and Rossina Maepa, it provides an income for almost 70 women.

This project is based at the DWT Nthathe Adult Education Centre, a Catholic mission of the Sisters of Mercy, approximately 40 km northwest of Pretoria, South Africa.

100% cotton fabric manufactured in the Republic of South Africa. Hand-wash in cold water. Iron on reverse side with warm iron
